Global Management and Politics

— Made in Azerbaijan —

Food System Management

Global Management and Politics

Made in Azerbaijan

LUISS

Program Overview

First-year courses

cover management and business-related topics, including a Summer term on Made in Italy, which focuses on in-depth analysis of industries where Italian companies are among the world's leaders.

Second-year courses

cover topics on socio-political issues and a Made in Azerbaijan component, where conventional lectures alternate with case studies, company visits, and interaction with business executives and entrepreneurs.
