

MASTER OF ARTS IN TEACHING AND LEARNING (MATL)

Master of Arts in Teaching and Learning is a graduate program aimed at preparing high caliber teachers through building their knowledge, skills, and confidence to develop their own teaching in ways that will improve learner attainment. This program is designed both for those who plan to enter the teaching career and already are in the teaching career in higher or secondary education. Program is also suitable for those who are interested in education and want to take their career to a postgraduate level.

Format: 3-4 times a week, evenings and Saturdays

Length: 2 years

STUDENT PROFILES

EMMERSON CASTELLANO

Recipient of International Fellowship of ADA / Venezuela

Emmerson's interest and curiosity in learning foreign languages since childhood got him to an undergraduate study in Translation and Interpretation of English, Spanish, French. His professional experience is closely related to teaching these three languages. That's why a graduate degree in teaching and Learning is a perfect fit for him. He strongly believes that this degree will enhance his expertise and boost his career. Azerbaijan attracted his attentions as a beautiful country, a nation with rich heritage and full of joy

ZAHID MAMMADOV

Azerbaijan

Zahid has an interesting background, he got his bachelor, master and even PhD degree in Law and mainly focuses on civil law. Besides working as a judge and legal advisor in various courts and councils he was a part-time instructor in UNEC and Academy of Justice. In Zahid's opinion, he taught thanks to his admiration for the legal sciences and love of honorable profession of teaching. He firmly believes that MATL program perfectly suits his future academic and professional ambitions. Studying the mentioned program at ADA would grant him the opportunity to enrich curricular expertise and would empower him to practice teaching as a major profession in the future.
