## STUDENT PROFILES

### KAMIL MAGSUD

Azerbaijan

As soon as Kamil graduated from UNEC in back 2008 he built very successful career in BP. His professional experience in a competitive corporate environment in BP equipped him with good understanding of energy business and with vital skills such as working under pressure and collaboration with team members. However, Kamil realized that he needs to bring existing skills set to a new level and acquire more competences to lead a business. He considers MBA program as an excellent opportunity to gain theoretical background on business and to put into the structure the knowledge that he gained so far through his experience.

### ELBRUS NOVRUZLU

Azerbaijan

Elbrus has a strong IT background as he studied Computer Engineering at Middle East Technical University in Ankara. After graduation he worked in various IT companies in Baku and Ankara. Since last year Elbrus works as android developer at International Bank of Azerbaijan. He believes that IT and business alignment is getting more important for the continued success of the organization. Elbrus believes that grasping the knowledge through MBA degree will open him a new path to get a successful career in business world and put him among the best managers of the country.
