

# INSTRUCTOR BIOGRAPHY

## Jack S. Duggal

MBA, PMP

Jack S. Duggal, a senior associate with TwentyEighty Strategy Execution, is a sought-after international keynote speaker, change-maker and executive. His passion is to provide new perspectives on how to manage the DANCE (Dynamic and changing, Ambiguous and uncertain, Non-linear and Emergent and unpredictable) of projects and life in today's disruptive world. He brings a unique blend of practical experience with innovative ideas and solutions to deal with the real-world challenges of strategic execution in today's disruptive business environment.

Mr. Duggal is an internationally recognized expert in Organizational Project Management (OPM) and PMO with over 20 years of experience. His next-generation ideas have been adopted and implemented in many companies around the world. He has been a top-rated seminar leader for the Project Management Institute (PMI)<sup>®</sup> for more than 15 years.

A highly sought-out speaker on next-generation management, communication and unconventional leadership topics, Mr. Duggal has designed and implemented PMOs for multiple fortune companies, led large-scale strategic initiatives, facilitated organizational change efforts, managed multi-million dollar technology projects, and been an executive coach and mentor to different levels of management. He has been involved in the recovery of multi-million dollar projects and strategic initiatives and has also facilitated the rapid assessment and recovery methodology multiple times for various clients.

For more than 15 years, Mr. Duggal has been an adjunct professor and visiting faculty member at the University of Hartford in Hartford, Conn., where he teaches various courses in the graduate and executive business programs, such as management, strategic information systems, and managing technology. In addition, he has developed corporate university learning and development programs and has delivered seminars and workshops on topics ranging from curriculum development to content customization to train-the-trainer.

Mr. Duggal is the managing principal of Projectize Group, specializing in next-generation consulting, assessments, and learning and development solutions focusing on strategic execution at the intersection of organizational project, program portfolio and performance management.
