

THE GEORGE  
WASHINGTON  
UNIVERSITY  
WASHINGTON, DC

# Fully Funded Dual Degree Computer Science and Data Analytics

2 Years | 2 Countries | 2 Diplomas

A rigorous program combining advanced coursework and research, collaboratively offered by ADA University in Baku and George Washington University (GW) in Washington DC. Students will gain expertise in computer science and data analytics, work on a master's thesis guided by leading experts, and prepare for impactful roles in research, public, or private sectors.
